

SPECIAL EVENT WEBINARS

EARTH DAY

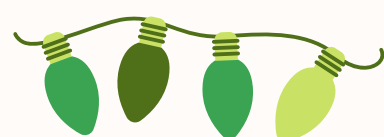

APRIL 22

A favourite presentation for the entire month of April. We'll talk about why this day is important and things we can all do to care for this beautiful planet we call home.

GREEN HOLIDAYS

DECEMBER

We'll talk about ways to celebrate the holiday season sustainably. Reducing packaging and food waste are a great first step!

GREEN VALENTINES

FEBRUARY

Ways to show a little love to the Earth on Valentine's Day by reducing waste and thinking creatively.

WINTER WALK DAY

FEBRUARY

Winter Walk Day can happen anytime in February. Let us help inspire your students before heading outside on your own winter walk.

EARTH HOUR

END OF MARCH

Earth Hour is a time each year where people around the world turn off their lights for an hour to save energy and bring awareness to the need to protect nature. We'll help get you started..

LITTERLESS LUNCH

ANYTIME

We'll brainstorm some ideas on how we can reduce waste in our lunches and make sure that whatever waste we do have goes in the right bin.
